Reflex Digital Finishing Systems
SEMI & FULL ROTARY
Price: $$$ | Speed: »»»»» | Consumables: ΩΩ

Reflex Servo

- **Turn Bar**: Movable turn bar units
- **Cold Foil**: Cold foil technology for decorative and security applications
- **Video Inspection**: Low-cost video inspection systems available
- **PLC Interface Control**: Intuitive operator interface
- **Lamination**: Re-lamination options for printed web without specialist tooling costs
- **Digital Finishing Systems**: Versatile systems for high-speed web inspection and finishing

Printing and Converting Features
- **Auto Register Mode**: Digital drive technology monitors pre-printed images for additional processing
- **Rotary/Sheeter Die Station**: Single rotary die station with optional semi-rotary die cutting
- **Web Guide**: Built-in splice table and web guide for accurate roll delivery
- **Slitting**: Dedicated slitting system for edge trimming or individual lane slitting
- **External Unwind**: Unwind module with 1000mm diameter capacity and optional corona and web cleaning systems

Reflex with Large Capacity Unwind
- **Compact**, single-color flexo converting press
- **Servo-**controlled re-register system
- **Hybrid inkjet** printing with mono-color or CMYK systems
- **UV/LED & IR** drying options
- **Full or** semi-rotary die-cutting

FOCUS REFLEX SERVO 250/330 Specifications:

Printing Capabilities:

- **Number of Colors:** 1
- **Max Print Width:** 10" (254mm) / 13" (330mm)
- **Print Range:** 7-20" (178-510mm)
- **Max Speed:** 120m/min (Mechanical)

Unwinding and Rewinding:

- **Max Unwind Diameter: 650mm (Standard), 1000mm (Optional)**
- **Max Rewind Diameter: 22" (600mm)**

Drying Systems:

- **I.R Drying: Standard**
- **U.V or LED Drying: Optional**

Cutting and Slitting:

- **Rotary Slitting: Standard**
- **Rotary Die Cutting: 1 standard, 2nd optional**
- **Semi-Rotary Die Cutting: Optional**
- **Rotary Sheeting: Standard**

Additional Features:

- **Re-Register System: Optional**
- **Turn Bar, Cold Foil, Lamination, Rotary Cutting/Slitting, Sheet Stacker**
- **Web Cleaner, Corona Treater, Video Inspection, Double Unwind**
- **Double Rewind, Digital Inkjet**
- **Reflex with unwind, turn-bar, and stacker**
